## HEALTH AND PEDAGOGICAL PROTOCOL – Updated on 05.01.2021

Madam, Sir,

As announced on December 17, 2020, we inform you of the terms and conditions for the return of the Christmas vacations as of January 7, 2021 according to the recommendations of the various Swedish and French authorities.

Please consult the updated **level 2** sanitary and pedagogical protocol on the LFSL website. (<https://lfsl.net>).

In order to facilitate the pedagogical continuity of the students, especially in the classroom, the schedule is as follows (subject to further recommendations from the Swedish authorities):

### **Elémentaire (CP to CM2):**

In-class learning from Thursday, January 07 2021

### **Collège (6è to 3è):**

Distance education on Thursday, January 07, 2021 and Friday, January 08, 2021

In-class learning from Monday, January 11, 2021 (like the majority of colleges in the Stockholm area)

### **Lycée (2nde to Terminale):**

Distance learning from Thursday, January 07, 2021 to Friday, January 22, 2021.

(details will be given later for teaching from 25/01)

Examens Blancs scheduled in January are maintained in class (from 19 to 21 January). Strict conditions of respect of the sanitary and pedagogical protocol will be put in place (social distancing and wearing of the mask is compulsory).

As a reminder, the instructions for barrier gestures and social distancing are mandatory, **in particular the wearing of masks in closed and outside spaces for all staff and students of Collège and Lycée in the classroom.**

We thank you for your understanding and support during this period.

Best Regards,

**Aurélien LOYSON**
